

Today would not be possible without the support of the MANY local businesses and organisations who help keep the Day running from Year to Year by sponsoring Epworth Music Day. We would like to thank them for their help and support in making this day possible.

FIRST AID:

ACORN MEDICAL SERVICES (07905 913944)

AMS First Responders are on hand throughout the day and located in the Guild Room at Wesley Memorial Church. If you or anyone you see requires medical assistance, please call the number above in the first instance.

We hope that you have had an enjoyable day at the annual Epworth Music Day.

We do appreciate feedback on your experience. Feedback is important to us as it allows us to evaluate and improve Epworth Music Day each year. So please feel free to express your thoughts to the stewards you meet around the town during the day, leave a message on our Facebook page or contact us using the form on the Epworth Music Day Website.

Finally the organisers would like to thank all those involved in helping out today from the performers to the stewards who make this event so enjoyable!

The organisers will take a well earned rest tomorrow, but will soon start to make plans for next year's event, so why not make a note in your own diary for **2023** as Epworth Music Day is set to take place on **Saturday, June 24th**. We look forward to seeing you here again!
